Technology Innovation

Gray Matters Technology Services (GMTS) & SageTech Solutions LLC deliver outcomes backed by seven years to-gether: on time delivery, accurate estimates, and execution. We deliver GOTS and COTS on secure Appain platforms using cost-effective performance delivery, technology insertion, and innovation. Gray Matters Technology & SageTech Solutions has merged to form an agile Mentor/Protégé approach, providing proven solutions, experienced technical teams, and relationships with large businesses such as AWS, Microsoft, Elastic, and Open AI. Our cost impact approach reduces resources and licensing needs. Our relationship lead has 30+ years of government and commercial relationship management, acquisitions training, and serves as Lead for the Executive Leadership Council. Our collective capabilities and past performance include AI Agile, Web Applications Solutions, cyber-security RMF, cyber-security tools expertise, and Systems Integration.
